

**NCAGE Code: R8586**

**NATO Stock Number for Operators Tea Blends**

**Operators Tea: Night Vision**

Night Vision: A superpower that gives Operators the ability to see in very low light conditions.

This exclusive Night Vision blend is made from high grown Assam & Nilgiri, neutral in taste but having mellow note which is complimented with beautiful Blue Cornflower petals. As per Greek mythology, Blue Cornflower is known as a tonic for tired eyes and gives a healing power towards wounds, which is further processed with bergamot flavor. The infusion is fresh, citrusy and slightly floral. Recommended to enjoy without milk or creamer. Try adding some sweetener or honey to add punch.

Metal caddy with 20 pcs. biodegradable/compostable pyramid tea bags each containing 2,5g, net wt. 50g.

12 caddies in box, 4 boxes total of 48 caddies in colli

Reference number: OCCTNV

EAN: 8901070003958

## Operators Tea: Bravo Zulu

Bravo Zulu: The term originates from the Allied Signals Book and means: Well Done! The term is used by Operators to congratulate and compliment someone for outstanding performance.

Bravo Zulu tea is cherished by Operators all over the world for its exquisite bouquet and unique muscatel flavor. Nestled amidst the snowcapped Himalayas, where the hill slopes are covered with sparkling tea bushes. Operators Tea offer a harmonious blend of pure Darjeeling black leaf tea, from the land of mists, mountain & valleys, 600m to 2000m above sea level. Recommended to enjoy without milk or cream. Try adding some sweetener or honey to add punch.

Metal caddy with 20 pcs. biodegradable/compostable pyramid tea bags each containing 2,5g, net wt. 50g.

## Operators Tea: SNAFU

SNAFU: Situation Normal All Fucked Up. Operators slang stating that for the moment the level of control and chaos is in balance. The term SNAFU goes back to a World War II movie of the three brothers FUBAR/TARFU/SNAFU.

Operators SNAFU gourmet tea is a combination of flavored dried fruits, flower petals and herbs which literally means health, beauty and freshness. A fine blend of dried apple pieces, orange peels, dash of rose hip & hibiscus, blue, black and aronia berries, sunflower & safflowers fine petals, resulting in the infusion both fruity and floral. A refreshing drink to suit all palates. Try adding some sweetener or honey to add punch.

### Get brewing:

Nice Hot Tea: Pour 250ml boiling water over a teaspoon of tea in a cup, let steep for 3-5 minutes. Use a teabag/infuser for convenience.

Cold Brew Tea: Add one tablespoon of tea per one liter of cold water, let steep in refrigerator for 8-12 hours. Use a teabag/infuser for convenience or filter the tea when pouring it in a chilled glass.

Ingredients: Tea/herbs. Store in a cool dry place. Enjoy the content in your home, at the office and most importantly when you are on an adventure.

(DK/NO/SE): Te/urter. Opbevares tørt og køligt. (FI): Tee/yrtejä. Säilytä kuivaa ja viileää.
